

Name: Priya Ranjan Panigrahy
Designation: Founder
Organization: CEPTES & WannaThankYou.com
Number of years of experience: 14 years
Qualification: Master in Computer Applications

Here are some of my successes due to The CEO Program

Metric	Result
Revenue	5x growth product division, 3x growth in services division, 2.5x growth in overall revenue with maintaining same bottom line margin
Customers	30+ customers, 3 enterprises with 1 fortune 500 company
Enterprise Products	We had none prior to the start of the program. Today we have 2 new enterprise products released and one of these is listed by Gartner
Employee Growth	35% employees growth as compared to last year
Company Valuation:	4x times more as compared to last year

Priya's comments

This program knocked me off my feet and tremendously influenced my life both personally and professionally for the better. I am humbled & grateful for your love, care & commitments. I hope I can inspire future champions as you have inspired me.
